## Approved For Release 2003/09/30: CIA-RDP76M00527R000700150064-8

25X1  29. Jim Kronfeld, Staff Counsel, House Government Operations Subcommittee on Foreign Operations and Government Information, called to advise that the staffs of the House and Senate Government Operations Committees were meeting informally to resolve their differences on S. 3418 and H.R. 16373, the right of privacy bills. If they can come up with a compatible bill they will bypass a formal conference and with the approval of the senior Committee members introduce the compatible bill as an amendment on the House floor for a vote next week. Kronfeld said there were still major differences which have not been resolved. He is firmly holding the line on our exemption as an agency from most of the provisions of the compromise bill. He will keep me advised.  CIA INTERNAL USE ONLY		Journal - Office of Legislative	Counser	rage o
